

THIS NOTICE DESCRIBES HOW INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Introduction

At Aesthetic Dermatology, P. A., we are committed to treating and using protected health information about you responsibly. This Notice of Health Information Practices describes the personal information we collect, and how and when we use or disclose that information. It also describes your rights as they relate to your protected health information. This Notice applies to all protected health information as defined by federal regulations.

Understanding Your Health Record/Information

Each time you visit Aesthetic Dermatology, P.A., a record of your visit is made. Typically, this record contains your symptoms, examination and test results, diagnoses, treatment, and a plan for future care or treatment. This information, often referred to as your health or medical record, serves as a:

- Basis for planning your care and treatment
- Means of communication among the many health professionals who contribute to your care
- Legal document describing the care you received
- Means by which you or a third-party payer can verify that services billed were actually provided
- A tool in educating health professionals
- A source of data for medical research
- A source of information for public health officials charged with improving the health of this state and the nation
- A source of information for marketing and promotions by Aesthetic Dermatology, PA, David L. Allyn, MD, Aesthetic Spa & Salon, LLC or related entities
- A tool with which we can assess and continually work to improve the care we render and the outcomes we achieve

Understanding what is in your record and how your health information is used helps you to: ensure its accuracy, better

understand who, what, when, where, and why others may access your health information, and make more informed decisions when authorizing disclosure to others.

Your Health Information Rights

Although your health record is the physical property of **Aesthetic Dermatology, P.A.**, the information belongs to you. You have the right to:

Examples of Disclosures for Treatment, Payment and Health Operations

We will use your health information for treatment and continuity of care.

For example: Information obtained by a nurse, physician, or other member of your health care team will be recorded in your record and used to determine the course of treatment that should work best for you. Your physician will document in your record his or her expectations of the members of your health care team. Members of your health care team will then record the actions they took and their observations. In that way, the physician will know how you are responding to treatment.

We will also provide your physician(s) or a subsequent health care provider(s) with copies of various reports or information that should assist him or her in treating you for continuity of care and to safeguard your health.

We will use your health information for payment.

For example: A bill may be sent to you or a third-party payer. The information on or accompanying the bill may include information that identifies you, as well as your diagnosis, procedures, and supplies used.

We will use your health information for regular health operations.

For example: Members of the medical staff, the risk or quality improvement manager, or members of the quality improvement team may use information in your health record to assess the care and outcomes in your case and others like it. This information will then be used in an effort to continually improve the quality and effectiveness of the healthcare and service we provide.

Business associates: There are some services provided in our organization through contacts with business associates. Examples include physician services in the emergency department and radiology, certain laboratory tests, and a copy service we use when making copies of your health record. When these services are contracted, we may disclose your health information to our business associate so that they can perform the job we've asked them to do and bill you or your third-party payer for services rendered. To protect your health information, however, we require the business associate to appropriately safeguard your information.

Directory: Unless you notify us that you object, we will use your name, location in the facility, general condition, and religious affiliation for directory purposes. This information may be provided to members of the clergy and, except for religious affiliation, to other people who ask for you by name.

Notification: We may use or disclose information to notify or assist in notifying a family member, personal representative, or another person responsible for your care, your location, and general condition.

Communication with family: Health professionals, using their best judgment, may disclose to a family member, other relative, close personal friend or any other person you identify, health information relevant to that person's involvement in your care or payment related to your care.

Research: We may disclose information to researchers when their research has been approved by an institutional review board that has reviewed the research proposal and established protocols to ensure the privacy of your health information.

Funeral directors: We may disclose health information to funeral directors consistent with applicable law to carry out their duties.

Organ procurement organizations: Consistent with applicable law, we may disclose health information to organ procurement organizations or other entities engaged in the procurement, banking, or transplantation of organs for the purpose of tissue donation and transplant.

Marketing/Vicarious Liability: We may contact you to provide appointment reminders or information about treatment alternatives or other health-related benefits and services that may be of interest to you. Although Aesthetic Dermatology, PA is totally independent from Aesthetic Spa & Salon, LLC, Aesthetic Dermatology, PA at times and without notice cooperates with Aesthetic Spa & Salon, LLC (or related entities) for marketing, information and promotions. The use of Aesthetic Dermatology's office, patient communications, shared information, supplies, materials, building, shared items or expenses with Aesthetic Spa & Salon, LLC, David L. Allyn, MD or other entities or individuals does not and shall not be construed in any manner to constitute a co-venture, partnership, agent, or other type of business or other relationship between Aesthetic Dermatology, PA, David L. Allyn, MD or other related entities and Aesthetic Spa & Salon, LLC or The Doc's In Urgent Care Center, LLC and Cheryl Durstein-Decker, MD located on the North side of the same building/floor of Aesthetic Dermatology, PA within Tower Medical Center, LLC at the Northwest corner of US Hwy 27 and Grand Highway in Clermont, Florida. Such businesses, individuals, physicians and entities are totally independent from one another.

Fundraising: We may contact you as part of a fund-raising effort.

Food and Drug Administration (FDA): We may disclose to the FDA health information relative to adverse events with respect to food, supplements, product and product defects, or post marketing surveillance information to enable product recalls, repairs, or replacement.

Workers compensation: We may disclose health information to the extent authorized by and to the extent necessary to comply with laws relating to workers compensation or other similar programs established by law.

Public health: As required by law, we may disclose your health information to public health or legal authorities charged with preventing or controlling disease, injury, or disability.

Law enforcement: We may disclose health information for law enforcement purposes as required by law or in response to a valid subpoena.

Federal law makes provision for your health information to be released to an appropriate health oversight agency, public health authority or attorney, provided that a work force member or business associate believes in good faith that we have engaged in unlawful conduct or have otherwise violated professional or clinical standards and are potentially endangering one or more patients, workers or the public.
